Activity Overview

Investigation and Cleanup

CERCLIS Site - MND022949192

Union Scrap Iron & Metal Co

Status: Inactive

CERCLIS sites are places that are listed in the federal Comprehensive Environmental Response, Compensation and Liability Information System. This means that they are or were suspected of being contaminated. After CERCLIS sites are investigated, they may be elevated to state or federal Superfund lists, or it may be determined that no action is necessary.

Events

Superfund - SR00000006 - Federal Superfund project and State Superfund project

Union Scrap Iron & Metal Co

Status: Inactive

Superfund projects occur where known or suspected environmental contamination is or was a risk to public health or the environment. The Superfund program identifies, investigates and determines appropriate cleanup measures. Federal Superfund sites are on the US EPA's National Priority List (NPL), while State Superfund sites are on the Minnesota Permanent List of Priorities (PLP). Sites are delisted when contamination is cleaned up and risks to human and environmental health have been mitigated.
